

What is a headless CMS?

Show e-learning courses for

- ☐ Content creator
- ☐ Content strategist
- ☐ Architect
- ☐ Developer
- ☐ Partner

Headless CMS is not just yet another CMS. It often requires a change of mindset, which is never easy. That's why we have a **free course** in our **e-learning portal** where you can find out what's what.

This course will give you some insight into the headless world and show you how it all works for your benefit.

Headless CMS 101

FREE

Content creator

Content strategist

Want to know what makes headless CMS different? One thing's for sure, headless CMS gives you more creative freedom when it comes to your digital content experience. Before you dig into your first project, get to know the headless concepts that will change the way you think about content.
